

Traffic Flow Information

Faith Christian School

In an effort to minimize traffic jams and confusion we would like to inform all parents of the traffic patterns that have been established. Please follow the instructions below and use the map to help guide you in dropping off and picking up your children. Our goal is for all of our students to be safe and then to ensure efficiency. Thank you for your cooperation in this effort.

1. Please watch for children at all times! **Drive slowly and cautiously on school property.**
2. Follow the traffic signs placed at various spots along the driveway. **Come to a complete STOP** at all stop signs and look both ways before proceeding SLOWLY.
3. Do not leave your car unattended in a fire lane. If you have to go inside, please park and check in at the office. All fire lanes are marked with yellow paint.
4. Pull all the way up in the traffic circle so you do not block traffic.
5. Please be prompt when transporting your children to and from school.
6. Please be respectful of all designated parking spots. Do not park in the 15 minute parking space any longer than 15 minutes, and do not park in designated parking spots (admissions guest, auction winners, etc.)
7. We kindly ask that drivers refrain from utilizing cell phones in the drop off and pick up lines for the safety of all.
