

FAITH CHRISTIAN SCHOOL

2026-2027 Faith Christian School Lunch Information

How and when do I order lunch? All lunch orders must be placed online via FACTS by noon on Friday of the preceding week. If we are not in school on any given Friday, the lunch orders are due on the Friday before that! Check "The Shield" for lunch ordering due dates. Click [here](#) for a tutorial on ordering lunches. Orders for the first week of hot lunches are due by noon on Friday, August 21, 2026.

When do I pay? All lunch orders will be immediately charged to your debit or credit card when the order is placed via FACTS. If you do not get a confirmation email of your payment, then you have not paid.

How can I get involved and help? Sign up to volunteer for [LS](#) or [M/US](#) Lunch.

Can I cancel my child's lunch order? Once orders are placed, they cannot be canceled.

What if my child is sick/absent and had a lunch order? By August 21st, please complete the Keep/Donate [form](#) linked here or on our Forms and Resources page at fcsva.org. This allows you to indicate if you would like to donate your absent child's food or save it for pick up. Saved food will be labeled with your child's name and the date and placed in the Great Room refrigerator. Saved LS lunches may be retrieved by an adult and M&US lunches may be retrieved by the student. Unretrieved food will be discarded after one week.

What if school is canceled? We will work with the vendor to change those orders to a different day.

What if my child forgets to bring lunch? The parent/guardian may bring lunch before the child's lunchtime. If that is not possible, Mrs. Smith and Mrs. Ridge have a limited supply of emergency lunches and will provide one to your child.

Lunch Vendor Schedule:
