

FAITH CHRISTIAN S C H O O L

Affordability at Faith

Faith Christian School is committed to making Christian classical education accessible to families from a wide range of economic backgrounds. Affordable tuition at FCS cannot be a “one-size-fits-all plan.” We offer Variable Tuition inviting families to apply for reduced tuition that is appropriate for each family’s unique financial position.

Families apply online to an independent third party, FACTS Grant & Aid Management. Many factors are considered when determining the tuition amount a family can pay, including income, assets, unusual expenses, and the size of the family. FACTS evaluates the application and makes a recommendation to the school’s Variable Tuition team. Families are notified by FCS of the tuition level for which they qualify.
