PF Project Faith

*Project Faith 2025
Crisis Response
International*

*This year nearly 500 students,
parents, faculty, and alumni
served CRI by painting,
cleaning, landscaping,
repairing, and organizing.
These are projects
the organization
simply would not be able
to complete due
to budget and
personnel constraints.*

What is Project Faith?

Project Faith is an extraordinary undertaking with the purpose of serving our community. For one day, the entire school works at area nonprofit organizations lending time and energy to accomplish a multitude of tasks.

We desire that our students understand the importance of honoring God by serving others. Project Faith provides students the opportunity to invest in their community by working for the good of others. In addition, students serve their school by asking for financial support.

Project Faith Sponsorship

A Project Faith Sponsorship shows your understanding and commitment to educate students on the importance of serving others.

Your partnership plays a critical role in assisting us with our mission.
