Affordability at Faith

Faith Christian School is committed to making Christian classical education accessible to families from a wide range of economic backgrounds. Families unable to pay full tuition may apply for financial aid through an independent third-party service, Independent School Management's Financial Aid for School Tuition (FAST). Families who wish to be considered for financial aid must apply through FAST and submit an online application and minimal application fee. While the availability of school resources, the number of qualified applicants, and overall budgetary constraints influence financial aid determinations, Faith Christian School is committed to do all that it can to adjust tuition to an affordable level for those who qualify and who meet the admissions requirements at Faith. For more information and to access the FAST application, visit www.fcsva.com/affordability.
