DECEMBER 3RD ATTIRE

On December 3rd, we are asking all Lower School students to come to school dressed in "Dressy Christmas" attire. Students will be recording outside for part of the program, so please keep that in mind as you plan what your child will wear. Additionally, 3rd- 5th grade students may be sitting on the stage while playing instruments for part of the recording.

Dear Lower School Parents,

I hope your school year is going well and you are adjusting to the many challenges this year presents. Despite the challenges, it is a joy to teach your children music every week. Their love of learning and excitement for music is an encouragement to me.

I am excited to announce that we will perform a Lower School Christmas program. This year's Christmas program will be recorded during the school day on **December 3rd** and will be released for viewing on **December 10th**.

This is a great opportunity share the hope we have in Christ with our friends and families!

Please email me if you have any questions.

Sincerely,
Mrs. French

CANVAS PRACTICE MODULES

The students are working hard in class to learn their Christmas music, but it is still important to practice at home as well. To help the students practice, I have created a module on Canvas with videos of all of their songs. Your child may access this module through their music page. The module is the second from the top and is labeled "Christmas Program Practice".

Opportunity for Soloists

Every year, we have several students who are taking private lessons perform a Christmas song as a part of the Christmas program. If your student is taking private lessons on an instrument and is learning a Christmas song, we would love to have them perform a solo for the Christmas program. They will be recorded sometime on Thursday, December 3rd. If your student is interested, please email me at afrench@fcsva.com by **Friday, November 20**. Space is limited.
