

## Faith Christian School's Roanoke Valley Leadership Series

Better Leaders  Better Region

For more than a decade, the Roanoke Valley Leadership Series has been a signature initiative of Faith Christian School, bringing together influential leaders from across the Roanoke region to inspire growth, collaboration, and service. For the past ten years, the series has drawn 300 attendees annually, bringing together Roanoke's most respected leaders from diverse backgrounds to hear from highly regarded speakers. Through its consistency, excellence, and influence, the series has earned its reputation as Roanoke's premier leadership event.

The annual Inspiring Roanoke Award will once again be presented to a local leader whose impact continues to inspire and shape our region.

Faith Christian School is proud to invest in today's leaders while preparing tomorrow's—equipping both community members and students to actively serve others with purpose and conviction.
